

Uneeda Enterprizes, Inc.

EMERALD GREEN

A unique film product suited for sanding wood, metal, fiberglass and solid surface materials.

Emerald Green film is ideal for disc and orbital machine sanding. This superior film product yields an excellent life, minimal loading and a consistent finish. Emerald Green will out perform all other paper, cloth & film products on the market. Emerald Green is available with PSA, Hook & Loop and plain film backing. For more information, please contact your local sales representative or call UEI customer service.

Why Uneeda? With over 100 years of combined expertise in the abrasive industry and our complete dedication to technical support, we are sure you will be delighted with our products, superior customer service and prompt deliveries.
