

EKASAND E-SERIES

ELECTRIC RANDOM ORBITAL SANDERS

5" & 6" ORBITAL

The EKASAND E-Series Random Orbital 5" & 6" sanders are ergonomically designed to provide their users with more balance, comfort, and control. The brushless 350W motor features 4 adjustable speeds of 4,000, 7,000, 9,000 and 10,000 RPM for increased performance and precision. Our central vacuum model can be used with standard vacuum or multi-hole back-up pads, allowing greater air flow and more dust extraction away from the sander.

- **Low Profile for Increased Comfort**
- **4 Adjustable Speeds**
- **Superior Dust Collection**
- **Available in 3/16 and 3/32 Orbits**

3" x 4" ORBITAL

The EKASAND E-Series Random Orbital 3"x4" sander is the perfect compact tool to sand flat, as well as recessed and intricate surfaces. It delivers a consistent performance while being extremely energy efficient. The sander features a temperature overheat system that will shut down the motor when temperature reaches damaging levels. Available in non-vacuum & central vacuum. Comes with power supply unit: 100-240 volts, 47-63 Hz.

- **Compact & Lightweight**
- **2 Speeds: 7,000 & 9,000 OPMs**
- **Overheat Protection System**
- **Available in Central Vacuum**
