

UMAYD2

WIDE BELTS

UMAYD2

THE JACK OF ALL TRADES FOR WIDE BELT SANDING

UNEEDA

UMAYD2 is a heat treated product specially coated onto a heavy duty polyester backing. Ideal for narrow sanding belts as well as wide sanding belts in both woodworking and metalworking industries. This truly unique product combines heat treated aluminum oxide grain and a special resin bonding system while leaving a uniform finish and providing a longer abrasive life.

ADVANTAGES

- Longer abrasive life
- Heavy duty cloth backing
- Reduced clogging
- Universal applications
